

## Interdistrict Attendance Appeal Process

The County Board of Education is the body charged by law to act on interdistrict attendance appeals. The County Board of Education may, at its discretion and in compliance with Board Policy 5117, approve or deny appeals.

The parent/guardian or person with legal custody of a pupil may appeal the denial of a request for interdistrict attendance by a school district to the County Board of Education

You must submit all the appropriate paperwork requesting an appeal within thirty (30) calendar days of the date of the denial of your request for an interdistrict transfer (E.C. 46601). That paperwork includes:

- A copy of your original Interdistrict Attendance Request
- A copy of the letter or paperwork indicating the denial of your request which includes the date of the denial
- The Tuolumne County Superintendent of Schools Interdistrict Attendance Appeal Form (goldenrod)

An appeal shall be accepted only upon verification by the county board's designee that appeals within the districts have been exhausted.

The reason for your appeal must be the same as those stated on the original request at the district level. Should the reasons change, you will be asked to reapply with your district.

A hearing will be scheduled within thirty (30) calendar days after you file your appeal. You will be notified by mail of the date, time and place of the hearing. The hearings are generally held on a Monday evening following the County Board of Education's monthly meeting.
